Re: Referral of Neil J. Gillespie (Our File #11E-9079986)

Dear Sir or Madam:

Please find attached numerous documents including Community Legal Services of Mid-Florida's application for legal assistance. Mr. Gillespie resides in Marion County and is financially eligible for our services.

Mr. Gillespie contacted Bay Area Legal Services directly and was turned down for services due to his residence being in Marion County. He is requesting a referral to your program.

Mr. Gillespie's legal problem takes place in Hillsborough County. Mr. Gillespie's current legal problem involves Case No. 05-CA-7205 in the Circuit Court of Hillsborough County. Mr. Gillespie currently has an Order to Show Cause for failure to appear at a deposition as the Court had ordered, dated May 4, 2011. He was ordered to appear in person before the Court on June 1, 2011, at 11:00 a.m. to show cause why he should not be held in contempt for failure to appear for his deposition. He did not appear. He now fears arrest and incarceration. I do not have any knowledge regarding the substance of this case. It has been going on for years. I did not check the case docket.

I explained that Community Legal Services of Mid-Florida, Inc. is a different, independent agency and has its own criteria to assist and no authority over Bay Area Legal Services.

Thank you for your assistance. Please contact the client directly by telephone at (352) 854-7807.

Very truly yours,

Glenn A. Shuman
