Re: 13th Judicial Circuit Court

Dear Mr. Gillespie:

This letter is in response to the complaint that you filed with this office alleging a possible violation of the Americans with Disabilities Act (ADA). The Disability Rights Section reviews individual complaints filed by persons under Title II of the ADA.

After carefully reviewing the information that you provided, we have decided not to take any further action on your complaint. Unfortunately, due to the thousands of Title II complaints that we receive each year, we do not have the resources to resolve all of them. We have made no determination regarding the merits of your complaint or whether it could be redressed under the ADA or another statute. Moreover, our decision does not affect your right to pursue your complaint in another manner. You may wish to contact an attorney or legal service to determine what remedies may be available.

We have enclosed a list of agencies and groups in your state that may be of some assistance to you. If you have access to the internet, the text of the ADA, the Department's regulations, and many technical assistance publications are provided on our ADA Home Page at <http://www.ada.gov>. If you have specific questions about Title II of the ADA or want copies of technical assistance publications sent to you, you may call the ADA Information Line at 800-514-0301 (voice) or 800-514-0383 (TTY).

We regret that we are unable to assist you.

Sincerely,

A handwritten signature in black ink that reads "Jeanine Worden".
