MIDDLE DISTRICT OF FLORIDA
OCALA DIVISION

APR 26 1999
CLERK, U. S. DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
JACKSONVILLE, FLORIDA

TINA LAWLER,
Plaintiff (s),

v.

Case No. 99-65-Civ-Oc-10C

SUMTER ELECTRIC COOPERATIVE, INC.,
Defendant(s).

SUMMARY JUDGMENT NOTICE

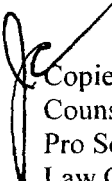

Be advised that a motion for summary judgment pursuant to Rule 56, Federal Rules of Civil Procedure, has been filed in this case. Unless the Court notifies the parties otherwise, there will not be a hearing on this motion; instead, the Court will decide the motion on the basis of the motion, responses, briefs or legal memoranda, and evidentiary materials filed by the parties. See Rule 3.01(b),(d), Local Rules, Middle District of Florida. The Court will consider this motion and make its decision after eleven (11) days from the date of this Notice. Consequently, **any response** to this motion, as well as all supporting evidentiary materials (counter-affidavits, depositions, exhibits, etc.) **must be filed** with the Clerk of this Court **before the expiration of that eleven-day period.**

The following explanatory admonitions are included here for the benefit of pro se parties (i.e., parties not represented by an attorney) who oppose the summary judgment motion. In addition to the above paragraph, you are also **advised** that if the Court grants this motion for summary judgment, such would be a **final decision** of the Court in favor of the party filing the motion ("the movant"). As a result of such final decision, there would be no trial or other proceedings in this case, and you would likely be precluded from later litigating this matter or any related matters. Therefore, you are hereby further **advised**: (1) failing to respond to this motion will indicate that the motion is not opposed; (2) all material facts asserted by the movant in the motion will be considered to be admitted by you unless controverted by proper evidentiary materials (counter-affidavits, depositions, exhibits, etc.) filed by you; and (3) you may not rely solely on the allegations of the issue pleadings (e.g., complaint, answer, etc.) in opposing this motion. See Griffith v. Wainwright, 772 F.2d 822,825 (11th Cir. 1985).
