The Find a Lawyer directory is provided as a public service. The Florida Bar maintains limited basic information about attorneys licensed to practice in the state (e.g., name, address, year of birth, gender, law schools attended, admission year). However, through this directory The Florida Bar allows individual attorneys the opportunity to provide for public information certain expanded personal and professional data. It is the attorney's responsibility to routinely review and update those expanded listings. The information contained in those expanded listings is presented by the Bar "as is" with no warranty of any kind, express or implied. The Florida Bar, its Board of Governors, employees, and agents thereof are not responsible for the accuracy of that additional data. Publication of attorneys' contact information within this listing should not be construed as their consent to receive unsolicited communications in any form. Certain unauthorized uses of this data may result in civil or criminal penalties. The Find a Lawyer directory is not a lawyer referral service.
