Public Records Request. F.S. § 119.07(1)(c) All public records requests shall be acknowledged promptly and in good faith. *Access to public records and meetings*, Art. I, Sec. 24, Fla. Const.

Dear Chief Jerald and Captain Vyse:

Good afternoon. Kindly provide public records for the following:

1. My letter and attachments April 14, 2016 to Sheriff Blair showing "received" by the MCSO.
2. My email April 20, 2016 to Sgt. Welch forwarding email with Jessica Healy, Asst. General Counsel, National Rural Electric Cooperative Association, showing "received" by the MCSO.
3. Communication within the last 30 days between the MCSO and Sumter Electric Cooperative, Inc., and/or SECO Energy, and any of its lawyers, including Kevin Stone.
4. Records that disprove SECO's contention that "Gillespie has on prior occasions been party to restraining orders", the inference being I was subject to restraint, which is false.

Time is of the Essence. I believe SECO's lawsuit against me is a SLAPP suit. Thank you.

Sincerely,

Neil J. Gillespie
