To Whom It May Concern:

Good afternoon. The name "Touchstone Energy Cooperatives" appears on correspondence from my electric cooperative. What is "Touchstone Energy Cooperatives", and why am I apparently part of it through my membership in a rural electric cooperative?

Touchstone Energy Cooperatives is located at 4301 Wilson Boulevard, Arlington, VA 22203-1860, <http://www.touchstoneenergy.com/>

The National Rural Electric Cooperative Association (NRECA) is a trade organization, located at the same address, 4301 Wilson Blvd., Arlington, VA 22203 <http://www.nreca.coop/>

The Electric Cooperative Bar Association is also located at the same address, 4301 Wilson Boulevard. Arlington, VA 22203 <http://www.nreca.coop/what-we-do/electric-cooperative-bar-association/>

So that is a busy location at 4301 Wilson Blvd., Arlington, VA 22203.

Is Touchstone Energy Cooperatives the same as NRECA? When I called Touchstone Energy Cooperatives today at (703) 907-5500, I was greeted by a person who answered National Rural Electric Cooperative Association (NRECA). What is going on with these organizations?
